

# Neuroanatomy

## ACROSS

1. Executive lobe
4. Neuron's impulse conductor
6. Brain's speech hemisphere
7. Structural imaging using magnets
9. Brain's protective fluid
11. 4 in each hemisphere
12. CNS= brain + \_\_\_\_\_ cord
14. Multiple X-rays

15. Electrically excitable cell

## DOWN

2. Fissure between frontal and parietal lobe
3. Brainstem bridge
5. Brain's groove
8. Neuron's protective cover
10. Body's 3 pound universe
13. Functional imaging measure
